

You'd like a hassle-free, scalable fundraising program. Your customers sell your products in easy-to-manage online/offline campaigns, electronically submit accurate, timely orders that you deliver and get promptly paid for with minimal effort and easy customer interactions. You have complete program control and visibility, helping your fundraising business thrive. **RaiserHQ can make this happen.**

RaiserHQ provides your own branded online Product Fundraising Platform.

- You manage available inventory, pricing, product delivery, invoicing/payments, and more from your dashboard and custom website.
- You capture new customer leads and approve new fundraising organizations.
- Your customers quickly set up and run their fundraising campaigns.
- You confirm and process orders and get paid with complete program control and sales visibility.

We provide the technology and technical support for YOU and YOUR fundraising customers.
